# PREGNANCY AND BEYOND

Dear Friends,

**We hope you are getting all our communications on your phones.** If you are not getting, it's because your information is incorrect with us. Just drop us an email on [info@afg.org.in](mailto:info@afg.org.in) with your updated information.

As obstetricians we experience Pregnancy and Childbirth every single day. We want the best for the mother and newborn for which we rely on our fellow pediatricians. Let us both sit under the same roof and discuss about when things go unplanned or times become difficult. Let's understand each other and how we can support each other in those difficult times.
